

BITE SUITS

MONDIORING / FRENCH RING COMPETITION SUIT

This competition suit is the lightest suit in the series of mondioring and French ring suits in weight and filling. Because of this it becomes also the most flexible suit. From the inside to the outside the suit is build to move quick and flexible. Every type of bite suit is filled in a different way. The mondioring and French ring style suits are all designed specially for better movement and to take the bites all over the body. Competition suits are thin and light but still long lasting. This suit is made for the advanced decoys who will take the suit for competitions or train on competition level.

As all our other types of suits, this suit is made according to size and desire. It is therefore very important to measure very accurate by using our own measuring form and give as much information as possible about your special wishes. All fabric used in our bite suits is developed through the many years of experience we have in making bite suits. From the wires of the textiles to the fibers of the filling. Only the finest raw materials are used to design and manufacture our bite suits. Many colors are always available and different patterns can be chosen.
